Err, I have a cold!

I’ll come kiss you and make you feel better!

KAMEK: Of all the times to leave the cage, why now?

What changed?

SIRE, THIS ISN'T THE PRINCESS! THIS IS AN
IMPOSTER!

GASP!

KT: Bingo.

So where did the real princess go?!

PAUSE

There she is.

LUIGI: Princess??

You know, I shouldn't be surprised that you decided to pull this stunt on our wedding day. That begs the question...

WHO DID I MARRY!?

This isn’t even a hot girl!

This is just Greenie in a suspiciously attractive dress!
